Invasion Opened Tuesday Morn

War Loan Drive Starts Monday

$195.000 Quota Is County Goal

Committees Are Named by R. H. Wright to Take Care of War Bond Drive

Randall County has a quota of $195,000 of War Bonds for the 5th War Loan Drive which starts next Monday. The sale of bonds up to Tuesday night amounted to $10,000, which counts on the quota.

There was no boost in sale locally by the invasion news Tuesday. The day's sales were only average, according to reports. In many towns of the nation the entire quota for the 5th War Loan was sold on Tuesday.

Randall county has several hundred boys on or near the battle fronts of France, Italy and in the Pacific. The people at home must back these boys with their money, and the sale of War Bonds is a slight contribution which the people at home may make toward the success of invation.

County Chairman R. H. Wright has announced the following committees which are in charge of the drive which starts June 12:

Executive Committee: R. H. Wright, W. C. Black, C. H. Jarrett, C. R. Burrow, T. A. Black, G. G. Foster, Guy J. Harp,, Alfred Bellah, C. L. Thompson, J. B. Speer, Lee L. Johnson, W. J. Wooten, Mrs. T. H. Knighton.

John F. Taylor Wins 2nd Medal As Pantex Worker

John F. Taylor has received a second citation for his splendid work at Pantex.

His first citation with medal was received several weeks ago for the performance of his duties.

The second citation, granted this week, comes for cooperative suggestions which were adopted by Pantex.

Mr. Taylor has been employed at Pantex for 18 months. He has charge of the clothing which is issued to a group of men workers in the plant, and likewise checks these men into the cafeteria.

All workers in Pantex are issued a complete unit of clothing before entering the plant. At the end of the day this clothing is sent to the laundry. The rubber sole shoes is the only article of clothing which is issued as a permanent item of clothing. Upon changing to their civilian clothes at the end of the day, these shoes are placed in the locker of each worker and worn the following days.

Mr. Taylor is alert in seeking suggestions which will be of benefit to production in the plant, since he realizes that the more productive this plant, the sooner the war will be over and our fighting men will be returned to their homes.

Dr. Neblett Is Promoted Major

MAJOR R. A. NEBLETT

Dr. R. A. Neblett has been promoted from Captain to Major in the Army Medical Corps. He entered the service in September, 1942, and has been in the Pacific War Zone for the past 10 months. His unit is now in New Britain.

Mrs. Neblett and children continue to make their home in Canyon while Major Neblett is in the service.

June 17th Final Day Filing as Local Candidate

June 17 is the final day for county and precinct candidates to file for places on the official Democratic ballot.

All announced candidates have filed their applications for places on the official ballot.

Any person who wishes to run for a local office must have the official application in the hands of County Chairman Clyde W. Warwick by June 17.

The County Executive Committee will meet on June 19 to assess candidates the cost of holding the primary elections. This assessment must be paid on or before June 24.

All candidates must make their first report on campaign expenses between June 21 and June 26.

Absentee voting will start on July 1.

Candidates are allowed the necessary gasoline to make their canvass of either the precinct, county, district or state, according to regulations of OPA. The amount of gasoline allowed depends upon the size of the territory which is contemplated to be covered by the candidate.

Mrs. Arthur C. Haley, Jr., arrived Monday from San Diego, Calif., to visit at the parental Warwick home. Lt. Haley is Signal Officer in the Navy and has been stationed there since February. He received orders after Mrs. Haley arrived home to report to his ship for Pacific duty.

Worth Jennings, Jr., and family from Prescott, Ariz., are visiting in the parental Worth A. Jennings home. Mr. Jennings is another of those thirty-odd year old men who are caught in the selective service uncertainty.

Clyde Freeman, cashier of the First State Bank at White Deer, spent Friday night at the W. C. Black home.

John B. Lyons of Dumas spent last week with Glen Prater.

1.20 Rain

Canyon enjoyed a pre-harvest rain yesterday. The rain reached all parts of the county, according to reports received in Canyon.

The rain in Canyon amounted to 1.20 inches, falling in several downpours during the afternoon and early evening.

The Panhandle has seldom enjoyed such fine weather as has prevailed this spring. There has been little hot weather, and the nights have continued to be cool and delightful.

Wheat is developing wonderfully well. The early wheat will be ready for harvest in about two weeks, and looks like another good crop. The late wheat was greatly helped by the rain this week.

City Calls Aid From Citizens

Four Point Request Made to Assist Officers Care For Problems of Canyon

Citizens of Canyon are called upon by the City Commission to make a thorough clean-up in order to remove all breeding places for flies. All refuse which will not burn should be disposed of at once.

Dogs are not allowed to run at large, and warning is given that stray dogs which molest neighbors will be killed by the city.

Many citizens have cut overhanging branches along the sidewalks since requested last week to do so. However, there are still many places in Canyon where the sidewalks cannot be used because of the low-hanging branches. These should be cut at once.

Officials ask parents to keep their children off the streets at nights. This is one of the first steps in juvenile delinquency, and parents are urged to assist city officials in holding delinquency to a minimum.

Sgt. John Wieck Wounded in Italy According Letter

According to a letter received Tuesday by his wife, S/Sgt. John Wieck was wounded in the battle somewhere south of Rome about the middle of May Shrapnel hit his left hand, shattered his watch on that arm and his pen and pencil set in his left breast pocket. Sgt. Wieck is hospitalized in Italy.

He is with the Medical Detachment of the 350th Inf. and administers first aid to the wounded in the front of the battle. He has been in the service two years and overseas about eight months.

Hail Wednesday Does Damage to Wheat and Roofs

Hail damage has been reported at various places over Randall county as a result of the hail storm on last Wednesday evening.

The heaviest damage is reported southwest of Canyon where the loss ranged from 25% to 30%. However, the area covered by this hail was comparatively small.

Small damage is reported southeast of Canyon in small areas.

Considerable damage to roofs has been reported in Canyon, where the hail seemed to be the heaviest for the storm.

Billie Black Gets Credit in Raids

Through reports to the Star-Telegram from Naples, May 31, Pvt. William M. (Billie) Black, son of Mrs. Alice Black is reported among the bomber gunners who have been credited with victories in recent raids in Italy.

MRS. THOMPSON IMPROVES

Mrs. T. S. Maxwell returned Saturday from Temple where she has been with her mother, Mrs. T. C. Thompson, who underwent an operation the week before, and is improving as well as could be expected. Mrs. George Vineyard, daughter of Mrs. Maxwell, relieved Mrs. Maxwell and will stay in Temple until Mrs. Thompson is able to return home.

STORK SPECIAL

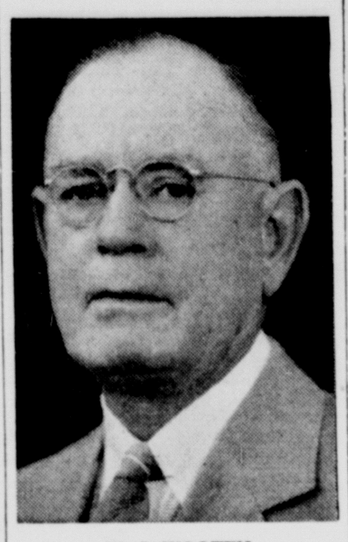
A daughter was born to Mr. and Mrs. Max Hoffman on May 27.

Mr. and Mrs. Lawrence Brotherton are the parents of another son, Richard, born Monday, June 5, in St. Anthony's hospital in Amarillo. Mr. Brotherton, who is coach and principal at Dumas High School, was formerly coach at Canyon High. His wife will be remembered as Esther Root.

A demonstration on preparing food for freezing and storing in a freezer locker will be given by the County Home Demonstration Agent at the Canyon High School home making laboratory Saturday afternoon, June 10 at 3:00 p. m. Everyone is invited.

Mrs. Bill Patke left Sunday to visit for ten days with Mr. and Mrs. C. H. Patke at Marlin, Texas. She will visit in Brownwood for a few days while enroute home.

Owns Show During Past 25 Years



W. J. WOOTEN

W. J. Wooten bought the Olympic Theatre 25 years ago Tuesday. He has been owner of the business since that time. The business was housed at the southeast corner of the square at that time, and moved to the north side when Mr. Wooten built the large, modern plant.

Mr. Wooten was in business at Happy when he bought the show here and had little idea that he would continue to operate the show so long when he made his initial investment in Canyon.

Plateau Singers Will Meet Here 24th Annual Meet

The 24th Annual Convention of the Plateau Singers will be held at West Texas State on June 17-18.

John F. Taylor has been president of this organization since it was founded. He is expecting a large crowd to attend the convention.

A barbecue will be held Sunday, which will be the largest day of the convention.

Mr. Taylor states that from all indications several hundred visitors will be in Canyon for this occasion. Because of gas regulations people of the Plains will not be able to drive long distances this year for a vacation. But citizens within all counties of the Plateau Singing Convention will be able to share cars and come for this annual convention as a short vacation. The meeting is set just before harvest will start in full blast.

The program for the two day convention has not been completed, but will be announced in a few days by Mr. Taylor. He states that scores of workers at Pantex, where he is employed, have assured him that they will be in Canyon to enjoy this occasion.

Donnie Avent Gets Naval Citation

Paul Donnie Avent, Gunner's Mate third class, USNR, of Canyon, has been awarded a letter of commendation by Vice Admiral Randall Jacobs, Chief of Navy Personnel, according to the Public relations office at Oklahoma City.

The 21-year-old Bluejacket was cited for "outstanding service" as a member of the Navy Armed Guard Unit aboard the merchant ship SS William D. Moseley during action against enemy aircraft at Bizerte, Tunisia, on Aug. 7 and 17, 1943.

"A report of the experience reveals that your ship and the areas about her were subjected to vicious attacks by hostile bombers on the above dates," the commendation said.

"On both occasions the Navy gun crew functioned as a well-drilled unit and performed in outstanding fashion, disregarding the constant danger from falling bombs and shrapnel and setting up an accurate and sustained barrage of shellfire which contributed to the destruction of three planes.

"The courage and professional skill which you displayed in the above engagements were in keeping with the best traditions of the United States Naval Service."

Gunner's Mate Avent is the son of Wilson L. Avent, Route 7, Canyon. He was born at Canyon on April 19, 1923, and enlisted in the Navy at Dallas on November 12, 1942.

Mrs. J. D. Barker is recovering from an operation at an Amarillo hospital.

'Safety First' During Rush Harvest Time

Workers Are Less Alert During Long Hours Spent in the Harvest Field

Every year during the harvest season we have a number of accidents in connection with the operation of farm machinery. Few of these accidents prove fatal but many of them result in the loss of an arm, a hand or a foot. These accidents have come to be considered too much as a matter of course, as we do our automobile and truck accidents. Many accidents are rated as unavoidable that really might have been avoided by practicing a few safety first rules in handling all machinery.

Some farm accidents are caused by mechanical failures, such as, failure of brakes, etc. This year a large percentage of the farm machinery is being used beyond its usual life of usefulness and is therefore much more liable to cause accidents due to breakage or other mechanical failure.

Many accidents are caused by inexperienced operators, by small boys operating machinery before they are old enough or large enough to properly handle heavy machinery. Inexperienced operators often need considerable coaching to understand the safety rules and practices that are taken for granted by men who have operated farm machinery for many years. What is true of farm boys is also often true of women who are taking the place of some boy who has gone to War and are doing work to which they are not accustomed. Overwork has a tendency to increase accidents. We are inclined to be a bit less careful when we are tired. The wheat harvest this year is going to be heavy. Farmers are generally short handed. Women and girls, small boys and older men, are operating the machinery on farms where the regular force has gone to operate more deadly machinery for Uncle Sam.

There is every reason to expect that the normal number of accidents this summer unless we all take time to be careful. Most every machinery owner knows the rules of safety that apply to his operation, but when he is overworked and shorthanded he too often takes chances. Some accidents result in property loss and the loss of valuable time even though no life or limb is lost. There is generally more time lost by an accident than would have been required to prevent it. Let's all be careful, all the way, this harvest.

In the rush to save all the crop, which is badly needed for food, let's all do our best to prevent accidents and save our fingers and toes. We may need 'em. Let's be careful.

Aviation Study Is Being Made

Two Meetings Are Held in Interest of Aviation in Canyon For the Future

Citizens of Canyon are looking to the future of aviation in this county.

A meeting was held in Amarillo Thursday which was attended by Dr. J. A. Hill, Mayor W. A. Warren, W. L. Lyons, G. W. Cox and G. B. Heath. Three plans for building feeder lines into Amarillo were discussed at this meeting.

A meeting of local citizens was called at the City Hall Friday night by Mayor W. A. Warren.

"We are trying to study all phases of aviation with the view of selecting the best plan for future development of aviation in Canyon," stated Mr. Warren. "We shall try to study the problem so as to eliminate mistakes which could creep in if too hasty action was taken."

Dr. Hill is convinced that an adequate air field must be provided for the future development of West Texas State. While the present training program will close on June 30, it is contemplated that aviation training of some type will be possible for the future.

The County Planning Board has authorized G. W. Cox to attend a state meeting at A. & M. College when plans will be discussed for towns about the size of Canyon.

Forrest Bullard Gets Citation

Forrest Nelson Bullard has received the Navy Air Medal for outstanding service in the South Pacific and has been promoted to Aviation radioman 1/c, according to word received by his wife.

Radioman Bullard has been in the service three years, 27 months of this time in the South Pacific. He has been home on two furloughs, and has been on this assignment since February.

Mrs. Bullard is making her home here with her parents, Mr. and Mrs. Loy White, and his parents, Mr. and Mrs. B. B. Bullard.

Robert Orton Gets Promotion in Army

Second Lieut. Robert Orton, "somewhere in China," has been promoted to First Lieutenant, according to word received by his wife.

Lieut. Bob Ziegler who received his wings and commission May 23 has been visiting his family in Canyon. He took a trip to San Antonio for a few days with his brother, A/C Joe Ziegler who will start primary flying in about three weeks. Lieut. Ziegler left Wednesday for further assignment from Lincoln, Nebraska.

Frank Jones, C. M. 1/c arrived home Sunday and will be in the parental S. H. Jones home until Saturday. He has been in California for the last 3 months after having spent a year in the Aleutians. He will report to the Pacific coast for further orders.

Master Sgt. Jack Jennings of Camp Atterbury, Ind., spent the week here on furlough at the home of his parents, Worth A. Jennings, and home of Mrs. Jennings' parents, J. A. Guthrie.

Mrs. Billie Jo Hunter (Sunshine Hardin) from Washington, D. C., returned to her work in Washington Monday, after having spent a week with her parents, Mr. and Mrs. W. H. Hardin.

Sheriff M. E. Cantrell returned Monday night from Dallas. His son, Conally, is recovering from the operation on his leg. Mrs. Cantrell will bring him home in a few days.

F. S. Gray of San Saba is visiting in the home of his daughter, Mrs. Vearl Iverson.

Roll of Honor

Program Friday Closed the Public Schools of Canyon

On Friday night at the commencement exercises for the Canyon high School seniors, Dr. A. M. Meyer of West Texas State College talked to the Seniors on the topic "Becoming an Adult." Following the address, Leslie Gordon, president of the class, presented the "Public Address System" to the school as the Senior-P. T. A. gift for the year 1943-44.

Supt. J. B. Speer announced the honors for the year. Miss Mollie Nann Ziegler was valedictorian with an average of 94. Miss Joyce Crowley was salutatorian with an average of 92.3. Manus Read Foster with an average of 89.6 was high point boy with Merle Dickerson's 89.3 and Bobbie Dowd's 89 giving him a close race for that honor.

The Balfour Plaque award went to Miss Billie Jane Bonifield and the Burnam Journalism Plaque to Mollie Nann Ziegler. Three $25 scholarships to West Texas State from the J. S. Humphreys Scholarship were awarded to Joyce Crowley, Billie Jane Bonifield and Manus Read Foster.

Following the exercises, the faculty and trustees were hosts to the seniors, their parents and relatives at a reception in the grade school gymnasium. Misses Polly Winstead, Martha Jean Dowd, and Carolyn Black, prominent members of the 1942-43 class assisted in serving at the reception while Miss Anita Davis, another of the same group, had rendered the music for the processional and recessional for the exercises.

Rev. Joe Findley is spending the week in the country home of the E. A. Michaels, recuperating from an operation.

Signal Given in Canyon at 3 a. m.

Rome Falls, and Invaders Hold Out Aganist Fierce Resistence in France

Invasion of Europ is on. General Eisenhower gave the signal to his poised troops early Tuesday morning. The signal was sounded in Canyon a short time after confirmation of invasion was received. United Nations troops are battling the Germans to hold the gains made on Tuesday.

Rome fell to the United Nations Sunday. American troops marched into the city with little opposition. The King carried out his promise to retire in favor of his son when the United Nations took Rome. Our troops push on north to trap Nazi soldiers.

The Russians are said to be poised to resume their drive on Hitler.

Every phase of the war in Europe is going according to plan. Last December General Eisenhower said: "We will win the European war in 1944."

The war news of the past week from all fronts has been most favorable to the United Nations.

After months of suspense, word came Tuesday morning that invasion was in full progress. The News was notified of the confirmed report, and the fire alarm was immediately turned on. Owing to the fact that invasion reports were not made until late at night, church services were not held.

Radios were turned on and practically every citizen in Canyon stayed up the balance of the night to hear reports as they were released from observers along the vast front.

Allied troops secured a beachhead with little opposition from the Germans. The Allied Command states positively that all advances will be held.

Reports are being released over the radio as our troops advance.

President Roosevelt led the nation in prayer Tuesday night. Together with other leaders, the President warns the people that dark days are ahead and that the Germans will put up hard resistance. While losses have been lighter than anticipated, casualties will increase as the invasion goes deeper into Hitler's territory. Hitler is said to be in personal command of the German armies.

Second Article on Local Churches Is Given by Writer

The following is the second in a series of little known facts about the churches of Canyon:

Anyone who remembers Rev. C. W. Kunze of the Presbyterian Church in Canyon recalls his quiet unemotional approach toward any question set for discussion.

The Presbyterians were worshiping in the wooden church building away out on Fifth Avenue, the building which later became a substantial dwelling on East Fourth. At a session of the Presbytery, someone mentioned a new church building.

With ponderous and incontrovertible reasons the Presbytery showed how utterly impossible it was to build a church at that time, how it was financially unwise to start such a consideration, and how surely the idea was untenable, Rev. Kunze said not a word in answer.

He quietly took a paper and visited one by one the members of the church, finding out how much each would give "if" and "when" the church should be started.

At the next meeting of the Presbytery he calmly mentioned "New Church." Each member began to protest, but he said deliberately and somewhat humorously, "I suppose you have no objection to accepting these figures on this paper here," and he read to the astonished Board the list of contributions, assuring the erection of the present handsome and commodious church on Fifth Avenue.

Faith had removed mountains.

Moved Location to New Building

O. A. May and J. Alvin McDonald have moved to their new locations at the southeast corner of the square. They are owners of the May Implement Co. and McDonald Motor Co.

The building has been under repairs since it was bought several months ago. While not all work is complete, the firms are taking care of their customers in the new location.

Canyon is wondering about aviation. What will be the future, and what should be done to insure a sane aviation program in the future? A number of local business and professional men attended a meeting on aviation in Amarillo Thursday. Three organizations are attempting to promote aviation in the Panhandle after the war, running feeder lines into Amarillo. One airline now in operation has a plan which would sell stock over the Plains. In this plan, Canyon is left out entirely. The other two are promotional plans. Both have Canyon on the aviation map, and neither proposes to sell stock. Those who attended the meeting are still wondering what the future will develop. It is an assured fact that every town must have an adequate air port following the war. But such strict federal control will likely be enforced that the use of planes will of necessity be more limited than is now thought. There is no use popping off about what we must do to insure the future of aviation until something more definite is in evidence. On the other hand, it is dangerous not to be wide awake and ready to grab the opportunity when it is presented.

The News took the position several months ago that the New Dealers had left the Democratic party. They did not form a new party, but were trying to take over the Democratic party which they seek to run as they please. This position is carried out in Texas. After being whipped at the State Democratic convention in two roll calls, a handful of New Dealers, numbering less than half of the total vote in the two roll calls, walked out of the convention and held a convention of their own. Being whipped, they charged that Republicans were running the Democratic convention. These bolting New Dealers hope that the National Committee, ardent New Dealers, will be as unfair as they, and will seat the delegates of the rump convention which was attended by 250 of the 1700 delegates at the state convention. Furthermore, these New Dealers now demand that the Democratic primary in July vote upon electors, rather than accept those named in convention. Such a practice is unheard of, and naturally will not be sustained by the law. But New Dealers demand their way, regardless of the law.

Churchill patted Franco of Spain on the back in his speech last week, and brought frowns from both Moscow and Washington. Churchill has again repudiated provisions of the Atlantic Charter. Why not? This instrument was drawn up at a time when the result of the war was uncertain, and the United Nations had to have some kind of guide post. One thing is sure and certain: Churchill is going to preserve the British Empire, just as we are going to preserve the United States. The Empire will merge from the war stronger than before the conflict, just as we shall take on more possessions as a matter of precaution. Churchill is probably more frank with the world than is either Stalin or Roosevelt.

We have something new in the nation—workers refusing to quit a war plant when the navy says it no longer needs the products of this plant. This leads up to a serious question. With labor in the saddle and getting everything from the administration that it demands, how are we going to shut down war production when the Axis is whipped? Are we going to continue making a lot of war material which the nation does not need simply for the purpose of continuing to give work to labor unions at fancy prices? The government may have bungled the termination of this contract for all the average citizen knows. But one thing is sure and certain—building all this war equipment must stop one of these days, with labor put back to civilian production, even if there is a layoff of millions of workers during the period of re-adjustment. The fact that the workers in this plant were continued at their jobs, after the contract for materials had been terminated, indicates that the stop order was premature, or the administration was afraid of labor unrest right here before election.

The bureaucrat down at Dallas was overruled by Washington when he decreed that a business firm could not advertise for a negro laborer. This bureaucrat took the position that this was an unfair employment practice. Instead of asking Washington, the New Dealer attempted to browbeat Dallas business firms. Since the same thing happened in many of the large cities of the South, we are of the opinion that this particular bureaucrat did not blindly make his decision, but some one in Washington felt the necessity of doing some backing down. However, it has been revealed that the President's Committee on Fair Employment is not authorized by law. It was simply set up under the loosely drawn bill which gave the President a lot of powers which Congress now regrets. Congress should repeal all of these bills under which the people are being harrassed, and put back to work these New Deal bureaucrats who are molesting the people of the nation.

President Roosevelt has undergone a complete physical check-up. He is reported to have greatly improved in health. It is noticeable that his family, including Mrs. Roosevelt, stays closer to the White House than in months past. Washington observers have two opinions: First, that the President is getting ready for a hard political fight for a 4th term; second, that the people are being prepared for a statement in July that because of his health the President will not seek a 4th term. Which one of these predictions is correct? Just take your choice. Several weeks ago, *The News* was confidentially advised that the President's health would keep him from seeking a 4th term. That was before his long vacation, and at a time when it was recognized that he was a sick man. The people of America will keep their eyes on the political situation during the coming six weeks.

Madame Perkins has at last found her voice. She has spoken out against strikes during the war. When a cabinet member talks, one wonders whether it is the voice of the individual, or that the statement is the voice of the President. At least this declaration comes two years too late. After the labor leaders have been successful in kicking the administration around and getting their demands through strikes, which one of these unions will pay any attention to Madame Perkins? None!

The Pope has appealed to the United Nations to revise "unconditional surrender." He is of the opinion that such a merciless attitude will only cause the Axis to continue fighting. He appeals for justice at the peace table. From the viewpoint of the United Nations, justice means the complete destruction of both Germany and Japan. From the humanitarian standpoint, this sounds like barbarism. Winning a just and lasting peace is going to be harder than winning the war.

Real estate inflation goes on throughout the nation. Those who want to buy property should consider the real worth of their prospective purchase and not be mislead by ficticious prices which are prevailing. When real estate, both farms and city property, will not produce in a sufficient amount to justify the investment, inflation exists.

V-NEWS

The old adage that you must cut your garment to fit your cloth is both figuratively and literally true today.

In buying clothing, whether a dress, coat, undergarment or any accessory, it is a good rule to look for simplicity of line and perfection of fit.

Try on clothing in the store. It helps one to get the best fit and saves trouble and expense of returning goods.

Try out the garment sitting, walking, moving arms, etc. Don't insist upon certain sizes. Get whatever size fits you. Avoid major alterations if possible. They are expensive and may not be entirely satisfactory.

Find out whether the material is fast color, the amount it will shrink, whether the finish is permanent, whether it is crush or crease resistant or water repellant if you are looking for a garment in which these qualities are important.

See if seams are wide enough and are well finished. Be sure buttonholes are well made. Be sure the garment is cut with the right grain of the cloth.

ALLEN & BLACK

I remember from school.

I once had to do a composition about the world's greatest invention being *wheels*. Just think of gear-wheels, water-wheels, and especially all the wheels for transportation! But right now the greatest thing of all, I'd say, is to keep wheels *going;* keeping your car in service, for instance. There's this and that to help you. There's one motor oil and another. Now from what I know, the explosions in any engine must produce acids, which brings up the bright idea of safely OIL-PLATING your engine's insides with Conoco N*th* motor oil. You want to prevent damage from acids... internal corrosion! Some things are specially good at fighting corrosion, and OIL-PLATING comes in that class. Even chromium plating, just for comparison, couldn't stay closer to working parts than this protective OIL-PLATING. It battles corrosion, so as to help you preserve your transportation as soon as you switch to Conoco N*th* oil.

Sixteen Children Enroll For College Nursery School

The Nursery School, under the direction of Mrs. Lou Lankford, began last Tuesday with an enrollment of sixteen children. In this school, the children have supervised play which will develop desirable physical and mental habits, and social attitudes. Mrs. Lankford stated that she was pleased with the interest and cooperation by the class and the mothers.

Those enrolled in the nursery school and their parents are Buzzie Barnhill, Mr. and Mrs. F. D. Barnhill; Gretchen Boutz, Capt. and Mrs. Paul Boutz; Barbara Jane Brown, Mr. and Mrs. Hatcher Brown; Nikki Karen Cabe, Mr. and Mrs. Jim Cabe; Liston Coleman, Mr. and Mrs. O. L. Coleman; Charles Cooper, Mr. and Mrs. Clay Cooper; Charles Duval, Mr. and Mrs. C. W. Duval; Sally Foster, Mr. and Mrs. Lee Foster; Tom Fowler, Mr. and Mrs. E. W. Fowler; Margaret Freedman, Capt. and Mrs. H. C. Freedman; Mary Louise Higdon, Mr. and Mrs. W. M. Higdon; Ann Jarrett, Dr. and Mrs. R. P. Jarrett; Janet Ruth Littlefield, Mr. and Mrs. C. L. Littlefield; Barbara Kay Myers, Mr. and Mrs. C. M. Myers; Patsy Ruth Shanklin, Lt. and Mrs. J. H. Shanklin; Sandra Jean Talley, Mr. and Mrs. W. T. Talley.

Home economics majors who are helping in conducting the school are Mary Britton, Mary Bugg, Juanita Davis, Ola Mae Davis, Carrie Jo Heare, Roberta Medlen, L. Louise Pugh, Pauline Rudy, Anna Frances Sageser.

Observe Safe Methods in Canning

1. Is the intermittent sterilization method of canning satisfactory for vegetables if a pressure canner is not available?

It is recommended that intermittent sterilization be disapproved because investigation has shown it to be unsafe.

2. Will the addition of an acid, such as vinegar, to non-acid vegetables produce an acid product that may be canned without the aid of a pressure canner?

Adding acid to vegetables and processing by open-kettle or the boiling water bath method is not recommended for home use because of the impossibility of controling the acidity.

3. Are canning powders and compounds a save preservative in canning food?

It is recommended that canning compounds or canning powders not be used in place of sterilization by heat, since such compounds usually are not efficient preservatives and may be injurious to health.

4. Are commercial pack jars, such as pickle or peanut butter jars, satisfactory for home canning?

Since commercial pack jars are not made for home canning, the limitation of their use to products which require short processing at not more than boiling temperatures should be emphasized. Home makers have found jars which permit the use of standard closures satisfactory for pickles, jams, jellies and preserves. If used for other products a higher percentage of loss may be expected because of breakage and poor seals.

IT'S TEAMWORK THAT DOES IT

The 5th War Loan STARTS NEXT WEEK!

WHEREVER your invasion forces are fighting—at sea, in the air, on the ground—they're working together for victory. They know that they must depend on each other, for only by coordinated teamwork will they win through to final victory in the earliest possible time.

The Fifth War Loan starts next week. It's going to take teamwork—a lot of it—to put this drive over the top. For we've got a job to do. As the tempo of invasion rises every one of us must mobilize for support of our fighting men.

In every city, town and hamlet men and women like yourself have banded together as War Bond Volunteer Workers, giving their time to taking your subscriptions for Bonds. Support them. Give them the kind of teamwork our boys are giving to each other on the fighting fronts!

When your Volunteer Worker calls, *double* your War Bond subscription. It's their job to help raise $16 billions of money for victory during this Fifth drive, $6 billions from individuals like yourself.

Make up your mind to welcome your Victory Volunteer with a friendly smile and an open checkbook—remembering that it's teamwork that does it!

Bride-Elect Florence McMurray Honored With Series of Parties

Miss Florence McMurray, daughter of Mr. and Mrs. J. H. McMurray of 2706 4th Ave. and a fourth grade teacher in the Canyon Grade School, is to become the bride of Floyd Montgomery, principal of Dimmitt High School, Sunday and has been honored the past week with a series of parties.

On Tuesday of last week Miss McMurray's fourth grade class assisted by the room mothers, Mrs. Houston Prichard, Mrs. Louis Hinders and Mrs. Ray Hardaway gave her a kitchen shower in the class room at school. At the noon hour the group went to the home of Mrs. Prichard where a picnic lunch was enjoyed on the lawn.

Friday at noon the Grade School Faculty gave its traditional shower-luncheon in the lovely home of Mrs. Robert Orton to honor Miss Florence McMurray, bride-elect.

A card table placed between the dining room and living room and loaded with gifts was the seat of honor for the honoree. When all the guests arrived Miss McMurray was asked to open the gifts, an eight-service set of sunset pastel pottery and 4 glasses of her chosen pattern of crystal with several miscellaneous gifts.

Columbines in a beautiful oval bent glass flower container on an oval reflector flanked with unusual crystal holders with tall tapers made the attractive centerpiece for the long oval dining table. Individual tables had centerpieces of low bowls of roses.

Fried chicken, gravy, potato salad, fresh garden vegetable salad, potato chips, hot rolls, ice tea, delicious home made ice cream with icebox cookies and strawberries from Mrs. Orton's strawberry bed made the menu for the buffet luncheon.

Mrs. L. M. Cousins, Mrs. T. M. Collins, Mrs. Lucille Doughty, Mrs. Stella Murrell, Mrs. Roscoe Davis, Mrs. Andy Walsh, Mrs. Mitchell Jones, Mrs. W. E. Miller, Mrs. A. K. Goodman, Miss Elva Fronabarger, Mrs. Glenn Dowlen, the honoree and Mrs. Orton were present.

Wednesday evening Mrs. Juanita Wallander and Mrs. Ruth Gidden were hostesses at supper in the home of Mrs. Gidden to honor Miss McMurray.

Pink rosebuds and pink and yellow candles were used to make the centerpiece on the table from which assorted sandwich meats, cheese, potato salad, sliced tomatoes, pickles, radishes, small fresh onions, individual carrot and pineapple jello salad, hot rolls and butter, ice tea, pumpkin pie with ice cream were served to Miss Anita Cleland, Mrs. Loretta Dunsworth, Mrs. Lilia Thornburg Miller, the honoree and the hostesses.

After supper "42" was played and Miss McMurray was sent on a treasure hunt. As she hunted, Mrs. Wallander accompanied her on the piano playing softly to indicate that the hunter was far from the hunted and increasing the volume of music as she neared the treasure. The search yielded linens and pottery, individual gifts from the guests and hostesses.

MARY E. HUDSPETH CLASS HAS TEA TO HONOR RUTHS

On Friday afternoon, June 2, from 4 to 6 o'clock in the home of Mrs. Lonnie Byars, the members of the Mary E. Hudspeth Sunday School Class gave its annual program tea to honor the Ruth Class.

Guests were entertained with the following program: Class Song, entire group; devotional by Mrs. Crews Henry, teacher of the Ruth Class; duet, Mrs. Mark Laughery and Mrs. R. C. Hillier; Bible story by Miss M. Moss Richardson; song, "Face to Face," by Joan Byars accompanied by Mrs. Hillier; chalk talk by Mrs. Chrysler Crain; prayer by Mrs. Roy L. Johnson.

Corsages of talisman rose buds and of pansies were presented to Mrs. Henry, Mrs. Crain, Mrs. W. H. Hardin, Miss Richardson, Mrs. C. O. Elkins, Mrs. W. R. Crow, and Mrs. Byars.

The house was beautifully decorated with roses and sweet peas. From an attractively appointed table Mrs. Hardin poured punch and Mrs. Crow, Mrs. Byars, Mrs. Frank Hicks, Mrs. Ed Weeks, and Mrs. Elkins assisted in serving green and gold sandwiches, macaroons, sand tarts, nuts, olives and mints.

During the entire social hour Mrs. Hillier played softly upon the piano.

Mrs. Joe Carver, Mrs. Lyod Buchanan, Mrs. Jack Barnard, Mrs. J. J. Boling, Mrs. T. C. Gooch, Mrs. W. H. Hardin, Mrs. Tom Knighton, Mrs. Walter Graham, Mrs. Chrysler Crain, Mrs. C. O. Elkins, Mrs. R. C. Hillier, Mrs. J. A. Edwards, Jr., Mrs. E. E. Hawkins, Mrs. Burney Slack, Mrs. Tom Brasher, Mrs. G. M. Gunter, Mrs. Roy L. Johnson, Mrs. Marvin McBroom, Mrs. Albert Byars, Mrs. Crews Henry, Mrs. James Jennings, Mrs. Boyd Moore, Mrs. Fred M. Standley, Mrs. L. C. Ponder, Miss Willie M. Claxton, Mrs. Mark Laughery, Miss M. Moss Richardson, Mrs. Lee McLaury, Mrs. Ed Weeks, Mrs. Frank Hicks, Mrs. W. R. Crow, Mrs. L. L. Byars, Mrs. S. H. Hill, Mrs. Jack Parsons, Mrs. R. S. Creshaw and daughter, Gail, all signed the guest book.

MRS. McREYNOLDS HONORS CO-WORKERS AND FACULTY

Thursday at 1 o'clock Mrs. Ray McReynolds honored the Executive Committee of the Grade School P. T. A. and the Grade School Faculty with a luncheon in her home on the Hereford highway. Her home was beautifully decorated with spring flowers and roses.

The dining table from which the buffet luncheon was served was centered with cornflowers in a lovely crystal bowl, presented to Mrs. McReynolds by the executive committee. Mrs. Reynolds served as president of the P. T. A. for the last two years.

Place cards, which carried out the school colors, were pansy corsages tied with purple ribbons. On the streamers of the corsages the name of the guests were written with soup alphabet letters.

Mrs. J. Madison Daugherty assisted Mrs. McReynolds in serving fried chicken, gravy, mashed potatoes, fresh garden peas, molded individual vegetable salad, hot rolls, tea, coffee, home made ice cream and angel food cake to Miss Elva Fronabarger, Mrs. T. W. Collins, Mrs. Robert Orton, Mrs. Stella Murrell, Mrs. Roscoe Davis, Mrs. Lucille Doughty, Mrs. Glenn Dowlen, Mrs. L. M. Cousins, Mrs. Mitchell Jones, Mrs. W. E. Miller, Mrs. John Davis, Mrs. Andy Walsh, Miss Florence McMurray, Mrs. A. K. Goodman, Mrs. R. A. Neblett, Mrs. S. S. Howell, Mrs. W. W. Nicklaus, Mrs. Robert Jones, Mrs. Dewey Foster, Mrs. R. C. Hillier, Mrs. Ross Craig and Mrs. Burney Slack.

Mrs. W. R. Childress underwent an appendectomy in an Amarillo hospital Thursday.

LUTHERAN LADIES AID HONORS AMARILLO LADIES

The annual luncheon given by the Canyon Lutheran Ladies Aid for the ladies of Trinity Lutheran Church in Amarillo was held Thursday at one o'clock in the attractive country home of Mrs. G. H. Leseberg.

The entertaining rooms were decorated with bouquets of garden flowers. Guests were seated at bridge tables centered with pansy bouquets. Places were marked with gaily colored paper dolls.

Following the get acquainted hour after lunch games were played. Winners in the scrambled word and Biblical foods contests were Mrs. H. A. Nelson and Mrs. M. J. H. Hartenberger.

Present were: Mrs. Mary B. Leopold, Mrs. Fred K. Anderson and Karen Jane, Mrs. H. A. Nelson, Mrs. J. J. Nelson, Mrs. Joe Miller, Mrs. W. E. Kregan, Mrs. C. B. CENTERVIEW H. D. CLUB MEETS WITH MRS. SCHAEFFER

The Centerview H. D. Club met Friday, June 2, in the home of Mrs. E. W. Schaeffer with Miss Lou Ella Patterson giving an interesting demonstration on boning and canning chicken. Two year old chickens should be used as younger ones are harder to pack into jars, according to Miss Patterson's experience.

The house was called to order by the president, Mrs. Dellas Zachery. The secretary, Mrs. Sharpes, read the minutes of the last meeting. Reports by various members were given and favorite songs were led by the program chairman, Mrs. J. W. Wesley. Mrs. E. A. Wise was elected for vice chairman as the former one, Mrs. Fred Magness, moved out of our district.

Members present were: Mrs. S. F. Sharpes, Mrs. Dell Zachery, Mrs. Hollis Shipman, Mrs. Bauer, Mrs. Finis Brazil, Mrs. J. W. Wesley and the hostess; visitors were Miss Geraldine Sharpes, Mrs. Howard Slack, Misses Evelyn, Fayerene, and Anna Belle Schaeffer.

W. J. SUTHERLANDS HONORED 36th WEDDING ANNIVERSARY

The home of Mr. and Mrs. J. V. Williams, June 2nd was the scene of a tea given to honor Mr. and Mrs. W. J. Sutherland on their wedding anniversary.

The house was decorated with pansies and snapdragons. Several pictures were made after the guests arrived.

Guests were invited into the dining room for tea. The table was laid with a white linen cut work and lace cloth. Snapdragons in a crystal bowl which was placed on a reflector with tall white tapers burning softly made the centerpiece.

Many beautiful gifts were presented the Sutherlands to wish them many more anniversaries.

Guests were: Mr. and Mrs. Cecil Smith, Mr. and Mrs. John Davis, Mrs. Jessie Fullingin, Mr. and Mrs. Fred Coburn, Mrs. Jean Hall, Mr. and Mrs. W. J. Sutherland, Mr. and Mrs. J. V. Williams and Patricia Ann.

RANDALL CO. H. D. COUNCIL MEETS IN COUNCIL ROOM

Randall County Home Demonstration Council met in the Council Room at the Courthouse, June 3 with 17 members present, representing 9 clubs. Mrs. Jack Cage, president, presided.

Mrs. Cage asked that each club elect a nominee for delegate to the state meeting.

Miss Lou Ella Patterson announced that she would give a demonstration on freezing and brining June 10.

Mrs. Bill Burwell was elected secretary-treasurer. Members were reminded that each club is to give $3.00 to the treasury this month.

MERRY MAIDS AND MATRONS ENTERTAIN IN JARRETT HOME

Thursday evening Mrs. A. W. Sternenberg, Mrs. J. B. Speer, and Mrs. R. P. Jarrett were hostesses to the Merry Maids and Matrons and their escorts in the home of Mrs. Jarrett. Beautiful roses and fragrant honeysuckle were used profusely throughout the entertainment rooms.

Seven tables of players enjoyed "42" until a late hour; then delicious sherbet and angel food cake were served by the hostesses.

MRS. M. J. NEWMAN HONORS MRS. BILL MACK GIBSON

On Tuesday of last week Mrs. M. J. Newman honored Mrs. Bill Mack Gibson with a farewell luncheon at 10 o'clock. The Gibsons have gone to Clovis, N. M., where Mr. Gibson has assumed his duties as coach of the Clovis High School.

Those who enjoyed the occasion with the honoree and hostess were: Mrs. W. W. Nicklaus, Mrs. O. L. Mann, Mrs. C. L. Littlefield, Mrs. R. P. Jarrett, Jr., Mrs. Floyd Murry, Mrs. Earl Essing and Mrs. Mamie De Marcus, mother of Mrs. Gibson.

EDGETOWN H. D. CLUB MEETS WITH SOLOMON

The Edgetown Home Demonstration Club had its regular meeting in the home of Mrs. O. M. Solomon. The program was on tomato culture.

Mrs. Wester and Mrs. J. R. Sharp were visitors. Members present were: Mrs. Frank R. Phillips, Mrs. G. R. Cox, Mrs. W. B. Smith, Mrs. Charles Doebler, Mrs. P. L. Walters, Mrs. W. I. Wester, Mrs. W. L. Rice, Mrs. E. C. Penick, Mrs. T. T. Fain, Mrs. W. T. Davis, Mrs. Henry Cone, Miss Mabel and Mrs. O. M. Solomon.

There is a change made in the next meeting as Miss Patterson who was to meet with the club will be at the 4-H Girls' Encampment. The meeting will be June 9 in the home of Mrs. George Taylor with the program "Food Preparation."

Miss Martha Thomas of Amarillo spent Sunday night and Monday with her parents, Mr. and Mrs. Lynson Thomas.

N., who with his wife and daughter are here from Carlsbad, N. M. for their vacation; and the brother of Mr. Wester., H. C. Wester who with his wife left on Tuesday for their home in Springfield, Missouri.

Mrs. Stella Murrell left Monday for Ft. Knox, Ky., where she will spend the summer in the home of her brother, Colonel T. E. Winstead. Mrs. Murrell was met in Amarillo by her daughter, Mrs. Dan Bush, Pampa teacher, who accompanied her mother to Ft. Knox and will proceed to the East coast to spend the summer with her husband.

Mrs. Mary Sligar and Mrs. Morris Small left for Washington, D. C. Sunday to work for the war and Navy Departments on temporary Civil Service assignments. A special pullman carried teachers and other women of the Panhandle who were especially interested in work for the summer. All their assignments terminate August 31.

Mrs. J. E. Barron from Lamesa visited in the home of her sisters, Mrs. Sanford Black and Mrs. Frank Hicks, to attend the commencement exercises of Canyon High School in which her niece, Miss Evelyn Black, received her diploma.

Mrs. Bob Barnett has returned to her home in Tucson, Ariz., after having spent some time with her mother, Mrs. M. F. Frieze; her brother, K. E. Frieze; and her sister, Mrs. G. A. Farlow.

Marketing Group of H. D. Club Has Bought Pineapples

Report on pineapple order placed by Marketing Committee of Randall County Home Demonstration Council:

Original order was rejected by dealer on the ground that he had accepted all orders he could fill.

Another dealer has been found who will deliver pineapples at a slightly higher price.

Persons who placed orders with the committee have the choice of having their money refunded or adding 25 cents a dozen to the amount paid originally and receiving pineapples. Please notify the person who took your order at once which of these you will do. The additional money may be paid when you call for your fruit, but your chairman will need to know whether or not to hold it for you. All fruit must be paid for in full when it is taken.

This fruit will be handled directly from the truck at the court house square. It is now ripe and will need to be handled as rapidly as possible. As soon as the exact date of delivery is known, it will be posted on a bulletin board on the first floor of the court house, and chairmen will be notified.

Any person desiring to may yet be included in this order by placing his order with any of the committee members. For your convenience, a member of the committee will be in the county home demonstration agent's office, first floor of the court house, Friday and Saturday afternoons, June 9 and 10. The price is $3.80 a dozen.

R. D. Lowry has resigned from Thompson Hardware Company in Canyon to be with the Haley Furniture Company in Amarillo. Mr. Lowry who has lived in Canyon 20 years and owns his home here, will continue to live in Canyon.

WORTH THE RISK

The church service was proceeding successfully when a woman in the gallery got so interested that she leaned out too far and fell over the railings. Her dress caught in a chandelier, and she was suspended in mid-air. The minister noticed her undignified position and thundered at the congregation:

"Any person who turns round will be struck stone blind."

A man whispered to his companion: "I'm going to risk one eye."

EASY QUESTION

A professor was trying to demonstrate a simple experiment in the generation of steam.

"What have I in my hand?" he asked.

"A tin can," was the answer.

"Exactly. Now can any little boy tell me how, with this tin can, it is possible to generate a surprising amount of speed almost beyond control?"

One little boy raised his hand.

"You may answer, Carter."

"Tie it to a dog's tail."

Modern Miss: Mother, did you ever flirt when you were young?

Mother: Yes, dear. I'm afraid I did.

Modern Miss: And were you punished for it?

Mother: Yes, dear, I married your father.

Brown: How is your son getting on at college?"

Smith: Oh, he's a halfback.

Brown: I mean in studies.

Smith: Oh, he's a long way back.

"The more I look at you, dear, the more beautiful you seem."

"Yes."

"Yes—I must look at you more often."

MORE FOR YOUR FOOD DOLLAR

It is more and more apparent that this global war is every person's war. There is not a man, woman, boy or girl who is not involved. Everyone has a job to do, and it is up to each one to do his job thoroughly and well.

No one can do his job well unless he is properly fed, and is full of energy. He must be strong, and by all means he must be well—and keep well every day.

Proper, well-balanced meals play a most vital part in the roll of keeping fit, and ready to do our part in this war.

As Food Merchants we accept the responsibility of keeping your meals well balanced. Vitamins are essential, but sometimes there are more economical ways of getting these precious vitamins without wasting your ration points. That is our job. We are happy to offer you this service of helping you plan your meals so as to be strong of vitamins and yet not use up those ration points which you must carefully guard. Let our trained clerks help you with your food problems.

Basketball Spring Training Camp Big Success According To Coach

Most of Those Attending Intimated They Would Be Back on Campus This Fall

The "Spring Training Camp" for basketball was a big success, according to Coach W. A. (Gus) Miller following the four days of preliminary workouts held last week on the campus of West Texas State. Although all the boys upon whom Coach Miller will depend for his basketball season were not here, twenty-two boys reported for the drills that were conducted twice daily in Burton Gymnasium from May 29 to June 2.

Following the four days of scrimmage and drills in the fundamentals of the game, Miller sent his trainees against the team composed of aviation students and members of the permanent party of the 350th College Training Detachment of the Army Air Corps. Although the Army finally won the game that was close from the start to the final whistle, Coach Miller felt that his boys showed much promise for the coming season. Instead of fielding his strongest team, Miller used three teams, giving every boy in the group a chance to participate against the soldiers. At the half, after using two of the three groups, the Buffaloes were in the lead with a comparatively safe margin of eight points. Late during the third quarter the soldiers erased the margin and held the lead despite the fact that the first group was rushed in, in an effort to pull the game from the fire.

During the four day period that the boys were here, they were housed in Mesquite Lodge and fed in Cousins Hall, Buffalo Courts not being available at this time.

Most of the boys intimated that they would return to the campus this fall when the regular session opens, and with these boys and the others, who because of work could not attend the camp but will be here this fall, Coach Miller should be able to turn out a well balanced team. Although the height that has characterized Buffalo teams for the past fifteen years may be missing, the boys will still present an aggregation big enough to offset the usual advantage gained by the extreme height in their speed and fast breaking offense. There will be several boys on the team that stand well above the six foot mark, and a starting line-up averaging as high as the teams in the past will be available.

In addition to the two workouts daily, the boys were given entertainments for the purpose of acquainting them with each other and with other students on the campus. On Monday night the boys were given a swimming party in the indoor pool, and girls from the student body attended to help make the occasion a success. On Tuesday night Cousins Hall held Open House honoring the basketeers, and this dance was attended by more civilian students than any such party during the past two years. Many ex-students returned to the campus for this dance. Wednesday night the coaches turned host and took the boys to Buffalo Lake where the visitors were given a steak-fry with W. W. Nicklaus as the chief cook. The Chamber of Commerce of Canyon provided the funds for this occasion. Despite intermittent rain and hail, the boys managed to eat about everything on the north side of the lake. Thursday afternoon the practice session was dismissed, because of the evening game, and the boys rushed to the tennis courts and the outdoor pool for recreation. This swim was the first to be held in the outdoor pool during the year.

Both the entertainments and the practice periods gave the boys an opportunity to get acquainted with college life, and the coaches feel that the boys will be back this fall ready for a full season of games against the nation's best basketball teams.

SOME COMPENSATION

I spent many hours . . .
Arising at dawn . ..
In planting sweet flowers
To border my lawn.
With painstaking care
I planted each seed
In Mother Earth, where
I'd routed each weed.
My neighbors had chickens
That 'rose the next dawn
And sought for their "pickins"
On my lovely lawn.
In less than an hour
They skittered around
And gobbled each flower-
Seed out of the ground!
They wrought devastation
With fast scratching legs. . . .
There's SOME compensation;
They laid me SIX EGGS!

Apparently the distinguished judge did not want to make a speech, but the audience was insistent. So he got to his feet and said:

"I believe a jurist should be an obvious person and, according to the dictionary, the word 'obvious' means 'goes without saying.'

"Therefore, I go without saying," and he resumed his seat.

"Now watch me," said the amateur golfer, "and tell me if you don't think it's good exercise."

The friend watched the amateur golfer dig up divots and miss the ball a dozen time. Then he commented: "Yes, by golly, that is very good exercise. But tell me, what's that little ball there for?"

Plant the "BIG SIX"

TOMATOES ★ SNAP BEANS ★ CARROTS ★ CABBAGE
LETTUCE ★ GREENS

Agricultural experts wisely suggest that at least we grow these "Big Six" vegetables in our back yards this year and get the most for our money and effort. They're the "Big Six" because they have been selected for their high nutritive values, ease of culture and volume of yield. Since food is vital to winning the war, let's plan our Victory Gardens now and help to hoe the Axis under.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

REMINDERS

Sugar: Sugar staps 30 and 31, each good for five pounds indefinitely. Sugar stamp 32 becomes good for 5 pounds June 16. Sugar stamp 40, good for 5 pounds of canning sugar through February, next year.

COUNTRY DEPOSITS UP 137 PER CENT

Demand deposits in country banks (consisting largely of ordinary checking accounts) increased 137 per cent from 1940 to April, 1944, according to the Bureau of Agricultural Economics. Such an increasing body of idle funds, more than twice that of four years ago, could cause inflationary trouble if country depositors began using their funds to bid against each other for the purchase of land at increasing prices, the BAE advises. Already land values have risen almost two-fifths above their prewar average—an increase that is inflationary in many areas. Furthermore, in some of the principal farming areas the volume of land sales in 1943 surpassed previous high levels reached in 1919 and the number of farms resold after only a short period of ownership increased. Following the inflation of land values during the last war, land prices broke sharply in 1920.

FARMERS USE PRISONERS OF WAR

The work done by prisoners of war in the United States either is in or related almost entirely to agriculture, forestry or food processing, the Office of War Information reports. No farmer may house prisoners, and prisoners are sent to farms only when there is work for units of 10 or more. The War Food Administration does not generally advocate use of prisoners of war side by side with civilians. Prisoners are always guarded by American soldiers. Approximately 45,500 prisoners worked on farms in 28 states last year, mostly in the South, harvesting peanuts, rice, cotton and sugar cane.

IDENTIFY VETERANS FULLY

To facilitate prompt reply and to simplify identification, all mail addressed to the Veterans Administration on matters concerning veterans should give the full name of the veteran, the date of his birth, his serial number, rank and organization and the "C" and "N" numbers on any checks or letters received from the Veterans Administration. The master index of this agency contains more than 19 million names. Among these are over 200,000 Smiths, of which at least 12,000 have the given name of John.

CIVILIAN GAS 43 PER CENT OF 1941

Passenger car drivers now receive only 43 per cent as much gasoline as they used in 1941, the Petroleum Administration for War says. While Americans have reduced passenger car mileage from the peacetime level by about 57 per cent, the English have reduced theirs by 88 per cent.

FAMILIES WANT TO BUILD HOMES

In a recent nationwide survey of consumer requirements, a large number of the families interviewed said they intend to use their savings for buying or building a house before buying durable goods, the War Production Board announces. Among durable goods covered in the survey, washing machines are now in greatest demand, with electric irons and mechanical refrigerators next in order.

REFUNDS TO INCOME TAX PAYERS

While one million 1943 income tax refunds have been made by the Treasury Department, it will be several months before all of approximately 18 million taxpayers will get refunds to which they are entitled, according to the Commissioner of Internal Revenue. Each refund, however, will include interest at the rate of 6 per cent per-year from March 15, this year, to the date the refund is scheduled. First attention was given to claims of members of the armed forces. No action is needed on the part of the taxpayer unless he has moved from the address shown on his return, in which case he should send both his old and new addresses to the Collector of Internal Revenue in the district in which the return was filed.

CHRISTMAS MAIL TO MEN OVERSEAS

Christmas mail to armed forces overseas this year is expected to exceed last year's record. Plans are now being made by the Post Office, War and Navy Departments to handle this mail. From September 15 to October 15, Christmas gift packages for men overseas will be accepted for mailing if they are no more than five pounds in weight, 15 inches in length and girth combined. Only one such package will be accepted from the same person to the same addressee durng any one week, the War Department announces.

ROUND-UP

Special consideration will be given returning war veterans who apply for rationed farm machinery, WFA announces. . . . A total of 6,098 farm-type tractors were produced during the week ending May 27, which represents the highest wartime production rate yet attained, WPB reports. . . . Synthetic vitamin C, which promotes healing of wounds, may now be made from sugar beet pulp through a new and shorter process worked out by the National Bureau of Standards.

The Office of Price Administration says—new ceiling prices will increase the retail cost of Jumbo shrimp about 7 cents a can and large shrimp about 1 cent a can. . . . The June quota of new passenger cars available for rationing is the shortest supply of automobiles since the beginning of the war. . . . The new ceiling prices for a 14-ounce can of codfish or haddock flakes will represent an increase of 6 3-4 cents to the individual consumer.

BIG SHIPS

American Sailor: "Battleships! Why, the flagship of our navy is so big that the captain goes around the deck in his auto."

British Sailor: "You ought to see our flagship. Have a look at the kitchen. It's so large the cook has to go through the Irish stew in a submarine to see if the potatoes are cooked."

New Missionary: Did you know Mr. Jones?

Citizen of Cannibal Town: Why yes He was the pride of the island.

Missionary: I wonder why he left so nice a place as your island.

Cannibal: He didn't leave. You see, sir, times got so hard we had to swallow our pride.

Guests of Barbara and Meade Michael Saturday evening were Misses Peggy Harding, Martha Hannah Hammond and Catherine Conaster and Norris Root.

Mrs. Adolph Kampen spent Sunday in the parental Henry Miller home.

Jimmq Kuhlman was quite ill last week with mastoid trouble. He was brought home from St. Anthony's Hospital on Friday.

Mrs. Jack Wester of Carlsbad, N. M., spent Wednesday night in the Geo. Albers home.

WELL, WHY NOT

The student was one of those lads short on knowledge; but long—oh, so long—on resourcefulness. For many minutes the professor had been plying him with questions in an effort to break down his colossal self-assurance.

"You have heard of cause and effect?" the professor finally inquired.

"Oh, yes," the student replied.

"Have you heard of effect coming before cause?"

"Indeed, yes," was the reply.

With an ill-concealed look of triumph, the professor demanded, "Give me an example!"

"A barrow wheeled by a man."

A late comer to the circus performance was fussily pushing his way to a seat.

"Did I tread on your corn, old man-" he remarked, as he saw one of the audience wince.

"It must have been you, I'm afraid," was the reply. "All the elephants are in the ring."

We are sorry to have to report the critical illness of Br. James' wife. She is at Guymon, Okla., in a sanitarium.

Mrs. J. Fulcher and Mary visited Thursday with Mrs. Fulcher's sister, Mrs. Smith, near Canyon.

Mr. and Mrs. G. E. Wesley and Florence Evans and Fayerene Schaeffer attended singing convention at Valley View Sunday.

Everyone is thankful for the excellent rains we had the past week.

Mr. and Mrs. C. L. Wesley and children attended the graduation exercises at Morton, where Miss Kathleen Folk graduated Friday night. Saturday they went on to Seminole to visit Mrs. Wesley's mother who is ill.

Miss Evelyn Schaeffer visited Sunday night in the J. W. Wesley home.

The J. W. Wesley family and E. W. Schaeffer family were in Amarillo Saturday.

The F. S. Sharpes family were in Canyon Saturday.

Mrs. M. F. Evans spent the past week in the home of her sister, Mrs. Artie Pearson.

The H. D. Club party Friday night in the home of Mrs. C. M. Rogers was well attended. Mrs. J. W. Wesley and Mrs. Rogers served punch to some 70 guests.

OFF COURSE

A young R. A. F. officer stationed somewhere in Egypt was flying near the Great Pyramid, carrying out exercises in navigation and discovering his geographical position with a sextant.

After a series of involved and confused calculations, he turned suddenly to his pilot and said, "Take off your hat."

"Because according to my calculations we are now inside St. Paul's Cathedral."

BEFORE THIS WAR IS OVER, there may be only two kinds of people in America . . .

1. those who can still get to work in automobiles,
2. those who are forced to walk.

If you want to be in the fortunate group who will still be riding to work in automobiles, join Gulf's "Anti-Breakdown" Club today. How do you do it? Just come in for *Gulf's Protective Maintenance Plan!*

This plan was conceived by experts in car care. Gulf developed it because car maintenance is a most important civilian job. (The Government says civilian car maintenance is one of the services essential to winning the war, because 8 out of 10 war workers use automobiles to get to work.)

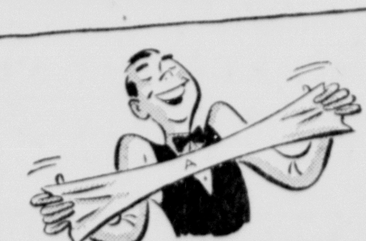
Here's Gulf's Protective Maintenance Plan..

1 *It protects your car at 39 DANGER POINTS!*

GULF'S Protective Maintenance Plan includes Gulflex Registered Lubrication which reaches up to 39 vital engine, chassis, and body points. *Six different* Gulflex Lubricants reduce wear.

2 *It gives you a CLEANER, smoother running motor!*

GIVE your car a good motor oil and change regularly. Gulf offers *two* outstanding oils . . . Gulfpride, "The World's Finest Motor Oil," and Gulflube, an extra-quality oil that costs a few cents less.



3 *It stretches your "A" coupons!*

AIR-FILTER and spark-plug cleaning, and radiator flushing help give better mileage. A clean air filter makes gas burn more economically; clean plugs increase power; a clean radiator prevents overheating.

Summer Program Recreation For Boys Is Enjoyed

The Sub Juniors held their first track meet Monday afternoon at 6:30 o'clock at the Buffalo Stadium. The Giants, captained by Bluett, beat the Cardinals, captained by Samples 43 to 27. The competition was keen and lots of fight and spirit was shown in all the competition. Following is a summary of the results: 50 yd. dash, 1st, Bluett; 2nd Hair; 3rd, Slack; pole vault, 1st, Bluett; 2nd, Davis; 3rd, Samples and Mobley tied; 30 yd. shuttle run, 1st, Bluett's team; 2nd Samples'; baseball throw, 1st, Butler; 2nd, Davis; high jump, 1st, Butler; 2nd Davis; 3rd, Samples; 60 yd. shuttle run, 1st, Samples' team; 2nd, Bluet's team; broad jump, 1st Bluett; 2nd, Hair; 3rd, Butler.

First place counted 5 points, 2nd place 3 points, and third place 1 point. Captain Bluett of Ted Nicklaus' team was high point man of the meet with 15 points. Butler of Lynn Neill's team was high point man of his team with 10 points. Within the next 3 weeks another track meet will be held for this age group of boys.

On Friday at 6:30 at the Buffalo Stadium the Juniors composed of Carroll Vaughan's team, Mack Cantrell's team and Charles Snap's team will compete in a track meet. The same line up of events that were used in the Sub Junior meet will be used in the Junior meet. A fine meet with plenty of competition is expected. It is reported that some of the Junior boys are vaulting 9½ feet and broad jumping 16 feet. The public is invited.

On Thursday afternoon at 4:30 all the boys that have been taking part in the Canyon Recreation program will go swimming in the College outdoor swimming pool. All the boys will meet on the tennis courts behind the swimming pool and as a group will be taken into the pool by Coach Nicklaus. Instruction in swimming will start, also free recreational swimming will be given. An attempt will be made to give two periods a week for this swimming program. NO BOY WILL BE ALLOWED TO GO ON THE MILITARY AREA WITHOUT BEING ESCORTED BY COACH NICKLAUS.

Softball games have been rained out the past week. Touch football games will be started on Monday of next week and will make up the program for two weeks.

Red, white, and blue ribbons will be given in all track events for the first 3 places. Free show tickets will be given to each winning relay team. These awards will be given to boys that compete in either the Sub-junior or Junior track and field meets.

Free Enterprise Was Subject Talk Made at Rotary

J. L. Duflot talked at the Rotary Club luncheon Tuesday on free enterprise. He was introduced by Tom Knighton, who was in charge of the program.

With retail prices regulated by manufacturers, the speaker raised the question as to whether free enterprise existed in any line of business.

Monopoly enterprise and private enterprise were discussed. The latter was often used to fool the people, and is often not free enterprise.

Mr. Duflot stated that bureaucracy is needed in government to control monopoly enterprise.

He paid tribute to big business and what it had developed in this nation, but realizes the need for strict control of big business. A strong central government is therefore needed and will continue in this nation because of the need of controlling big business.

He reached the conclusion that free enterprise has ceased to exist, having been absorbed by monopoly.

Visitors were: Robert C. Brown and Arnold Wittman of A. & M. College; Chester Strickland of White Deer; J. W. Dillard of Borger; Tom Smyers of Canyon.

Pfc. James Thomas Harp from Westover, Mass., has been visiting in the parental Guy Harp home for the past week. He left for Westover last night for further orders. Pfc. Harp is a gunner and will be assigned to a crew on B-24's for further training.

Mrs. Nancy McCaslin, hostess of Randall Hall is a patient in St. Anthony's Hospital in Amarillo; she is recovering nicely, following an operation Monday. Mrs. Hallie Park is substituting for her during her absence from Randall.

C. H. Stratton has just received word that his nephew, Everett White, 21 year old son of Mr. and Mrs. W. C. White, was shot down over Belgium one day last week. Mr. Stratton has 14 nephews in service, all of them over seas.

Mrs. Pete Cowart (Rosa Cash) is in the parental Harvey Cash home indefinitely as her husband now has one of those "somewhere" assignments.
